## **February 17<sup>th</sup>** **– Sixth Sunday in Ordinary Time –**

Human dignity rests above all on the fact that humanity is called to communion with God. The invitation to converse with God is addressed to men and women as soon as they are born. For if people exist it is because God has created them through love, and through love continues to keep them in existence. They cannot live fully in the truth unless they freely acknowledge that love and entrust themselves to their creator.
