## Development and Peace: A Movement of Solidarity

Established in 1967, Development and Peace — Caritas Canada is the official international solidarity organization of the Catholic Church in Canada.

We partner with organizations in the Global South that promote alternatives to unjust social, political, and economic structures and support women in their quest for equality and justice.

With the help of our 11,000+ volunteer members, we inform Canadians about the root causes of impoverishment and mobilize them to act for change. Our Lenten campaign, Stand for the Land focuses on people's defense of their territories in Colombia and Honduras. To learn more about our movement and to join us, visit [devp.org](http://devp.org).
