The Courage to Create Hope

To delegates at the 4th World Meeting of Popular Movements, Pope Francis said, “...you have the ability and the courage to create hope where there appears to be only waste and exclusion.”

These are the words that inspired the choice of “Create Hope” as a five-year guiding theme at Development and Peace — Caritas Canada.

The courage to Create Hope is rooted in actions big and small, for to drive away anguish and despair, it is best to act. Every action we take has a positive effect on us, our neighbours, our great human family, our children, and their descendants. What will you do this Lent to Create Hope? Join our campaign at devp.org/lent.
