Honduras's diverse ecosystems, fertile lands and rich natural resources attract many profiteering enterprises that overexploit the land to no benefit for local communities.

Development and Peace — Caritas Canada supports Equipo de Reflexión, Investigación y Comunicación (ERIC, Reflection, Research and Communication Team), an organization that helps communities in their struggle for land and territory and investigates human rights abuses.

This Lent, meet our solidarity visitor Elvin Hernández, a human rights investigator at ERIC. Learn more at atdevp.org/lent.
