### ***Dying to Meet You: Preventing Euthanasia and Encouraging Hope***

*Why has euthanasia (also known as "medical assistance in dying" or "MAID") become such a temptation for so many Canadians? How can we create and put forward a more attractive alternative vision for end of life? After 5 p.m. Mass on Saturday, August 31st. you're invited to attend a Pro-Life Pizza Night with Guest Speaker Amanda Achtman. (If you're attending a different mass that weekend, feel free to arrive at 6 p.m. for the event). Amanda will share stories of travelling across the country engaging Canadians on the big questions of suffering, death, meaning, and hope. Come be equipped and inspired for the conversations and experiences you are having in your own life because this concerns all of us.*
